If a constituency is shaded blue, and the electorate is shown in blue in the list to the left, it indicates that the boundary has been revised from our Initial Proposals. In such cases, if the name is also shown in blue in the list, this means that the name has also been changed from our Initial Proposals.

If a constituency is not shaded blue, the boundary of that constituency has not been revised from our Initial Proposals. However, in such cases, if the number on the map is shown in blue and the name of the constituency is shown in blue in the list, this means that the name alone has been changed from our Initial Proposals.
